

2021 Corporate Governance Statement

The Board of Rimfire Pacific Mining NL (the “**Company**”) is responsible for the overall corporate governance of the Group. The Board believes that good corporate governance helps ensure the future success of the Company, adds value to stakeholders and enhances investor confidence.

The Board has created a framework for managing the Company including adopting relevant internal controls, risk management processes and corporate governance policies and practices which it believes are appropriate for the Company’s business and which are designed to promote the responsible management and conduct of the Company. In establishing its corporate governance framework, the Board has referred to the 4th edition of the ASX Corporate Governance Councils’ Corporate Governance Principles and Recommendations (**ASX Recommendations**).

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the Recommendations during the reporting period. The Recommendations are not prescriptive, such that if a company considers a recommendation to be inappropriate having regard to its own circumstances, it has the flexibility not to follow it. Where a company has not followed all the Recommendations, it must identify which Recommendations have not been followed and provide reasons for not following them.

The Corporate Governance Statement (**Statement**) discloses the extent to which Rimfire Pacific Mining NL has followed the Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation. This Statement should be read in conjunction with the material on our website www.rimfire.com.au, including the 2021 Annual Report.

This statement is current as of 30 September 2021 and has been approved by the Board of Directors of the Rimfire Pacific Mining NL.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Recommendation 1.1 - Role of the Board and Management

The role of the Board is to approve the strategic direction of the Company, guide and monitor the management of the Company and its businesses and oversee the implementation of appropriate corporate governance with respect to the Group’s affairs. The Board aims to protect and enhance the interests of its shareholders, while considering the interests of other stakeholders, including employees, suppliers, and the wider community.

The Board has a formal Board Charter which is available on our website at www.rimfire.com.au.

The Board Charter sets out the specific responsibilities of the Board, requirements as to the Board’s composition, the roles and responsibilities of the Chairman and Company Secretary, the establishment, operation and management of Board Committees, Directors’ access to Company records and information, details of the Board’s relationship with management, details of the Board’s performance review and details of the Board’s disclosure policy.

The Board delegates responsibility for the day-to-day management of the Company and its business to the Managing Director (MD) and Chief Executive Officer (CEO). The MD is supported by the senior executive team and delegates authority to appropriate senior executives for specific activities. The Board maintains ultimate responsibility for strategy, control and risk profile of the Group.

Recommendation 1.2: Appointment of Directors

The Company has guidelines for the appointment and selection of the Board which require the Remuneration and Nomination Committee and the Board to undertake appropriate checks before appointing a person or putting forward to security holders a candidate for election, as a Director.

We provide our shareholders with all material information relevant to a decision on whether or not to elect or re-elect a Director through a number of channels, including via the Notice of Meeting and other information contained in the 2021 Annual Report.

Recommendation 1.3: Appointment Terms

Each Director and Senior Executive is required to enter into a written agreement with the Company which sets out the terms of that Director's or Senior Executive's appointment, including the remuneration entitlement and performance requirements. Directors also receive a deed of indemnity, insurance and access. Details of Executive contracts in place are included in the Company's Remuneration Report in the 2021 Annual Report.

Recommendation 1.4: Company Secretary

The Board is supported by the Company Secretary, whose role includes supporting the Board on governance matters, assisting the Board with meetings and directors' duties, and acting as an interface between the Board and senior executives across the Group. The Board and individual Directors have access to the Company Secretary.

Under the Company's governance framework, the Company Secretary is accountable to the Board, through the Chair, on all matters regarding the proper functioning of the Board. The Board is responsible for the appointment of the Company Secretary.

Details regarding our Company Secretary, including experience and qualifications, is set out in the Directors' Report in our 2021 Annual Report.

Recommendation 1.5: Diversity Policy

The workforce of the Company comprises individuals with diverse skills, backgrounds, perspectives and experiences and this diversity is valued and respected. To demonstrate the Company's commitment to developing measurable objectives to achieve diversity and inclusion in its workplace, the Company has implemented a Diversity Policy which can be viewed on our website at www.rimfire.com.au.

The Diversity Policy provides a framework for the Company to achieve a diverse and skilled workforce, with the aim of leading to continuous improvement and achievement of corporate goals, a workplace culture characterised by inclusive practices and behaviours, equal employment and career development opportunities for all staff and a work environment that values and utilises the contributions of employees with diverse backgrounds, experiences and perspectives.

The Company adopts a common-sense approach that a person of the right experience, skills and aptitude for a particular vocational need will be chosen for a vacancy within the Company. This has resulted in diversity in the workplace as a natural outcome, rather than a formulated approach.

The proportion of women on the Board, in senior executive positions and women across the entire organisation

as at 30 June 2021 was as follows:

- Women on the Board – 0%
- Women in senior executive positions – 33%
- Women across the entire organisation – 13%

Senior Executives are defined as roles supporting the Managing Director with running the business and delivering on strategic objectives.

The Board has set the following diversity objectives:

- To cultivate an inclusive workplace of fairness and equality which fosters the unique skills and talents of a diverse range of people; and
- To encourage diversity in skill set, experience, qualifications and age of our workforce. With a diverse mix of professionals, we will continue to encourage diversity in the hiring of candidates.

Due to the current size and composition of the organisation the Board does not consider it appropriate to provide measurable objectives in relation to gender at this time, and as such, does not comply with the Recommendation in its entirety. The Company is committed to ensuring that the appropriate mix of skills, expertise, and diversity are considered when employing staff at all levels of the organisation and when making new senior executive and Board appointments and is satisfied that the composition of employees, senior executives and members of the Board is appropriate.

Recommendation 1.6: Board, Committees and Individual Directors Performance Assessment

The Board is committed to formally evaluating its performance, the performance of its committees and individual Directors, as well as the governance processes supporting the Board. The Board does this through an annual assessment process.

The review process involves:

- completion of a questionnaire/survey by each director, facilitated by the Company Secretary;
- the preparation and provision of a report to each director with feedback on the performance of the Board and Committee's based on the survey results; and
- The Board meeting to discuss any areas and actions for improvement.

Individual Directors' performance is also assessed through open and frank discussions between the Chair of the Nomination and Remuneration Committee and each Board member. Similarly, the Chair of the Nomination and Remuneration Committee's performance is assessed by the Chair of the Board.

The Board is currently in the process of completing its annual performance assessment for FY21. An analysis of the data will be collated with results discussed at the next suitable Board meeting.

Recommendation 1.7: Senior Executive Performance Assessment

Senior Executives are appointed by the Managing Director and their Key Performance Indicators (KPI's) contain specific financial and non-financial objectives.

These KPI's are reviewed annually by the Managing Director/Remuneration and Nomination Committee (where applicable). The performance of each Senior Executive against these objectives is evaluated annually.

In the case of the Managing Director, this review is conducted by the Remuneration and Nomination Committee and the results reported to the Board.

Performance evaluations of the Managing Director and Senior Executives were undertaken during the reporting period by the Company in accordance with the process.

The Board regularly assesses the independence of each Non-Executive Director in light of the information which each Director is required to disclose in relation to any material contract or other relationship with the Company in accordance with the director's terms of appointment, the Corporations Act 2001, and the Board Charter.
